

NAPOLEON DAVONIS & SONS S.A

50th Anniversary 1958 - 2008

Napoleón Davonis was born in Greece in 1929, he arrived to República Argentina when he was 4 years old hand in hand with his parents, tailors by trade who started to sew the immigrant dream in América.

The hardship, the work, the study and the sacrifice were common denominators at that time and from which he has not escaped.

Graduated as Mechanical Technician from the Industrial School of the Nation Otto Krause in 1950 and, committed to it and its students, worked permanently from the ex students foundation achieving scholarships of work for the graduates and improvements for the establishment till reach the presidential during the years 1998 and 2008.

Member of CARMAHE, Cámara Argentina de la Máquina Herramienta (Argentinian Chamber of the Machine Tool) since 1983, and founding partner of the industrial union gral san martin since 1988.

He had his first contacts with the industry in his own workshop of mechanical and automatic turnery, then as boss of factory and production in ferrum and later in dinamix.

From 1958 dedicated to the machine tool he has manage to negotiate all the obstacles, cycles and economic events of the country from the hand of his customers and friends.

Nowadays and from 1978 in San Martin town with his sons Pablo Nicolás y Basilio Esteban go together along the defiant path of the machine tool provision and equipments of the most progressed and evolutioned technology to satisfy the essential needs of a very demanding market that grows every day.

Davonis thanks for these first 50 years to all the suppliers, customers and friends.
